### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Bowser on 6/12/2006.

Claim 1 has been amended as follows: In line 1, - - a - - has been inserted between "for" and "heat"; in line 3, - - and having - - has been inserted between "thereof" and "remaining"; in line 4, "each" has been changed to - - the - - ; in line 5, "portion is disposed away" has been changed to - - portions are spaced - - ; and in line 8, "away" has been changed to - - spaced - - .

The following is an examiner's statement of reasons for allowance: The claims are allowed because nothing in the art shows or suggests a fin formed of a strip bent zigzag fashion having the cut portions, connected portions, and slits arranged as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
